CLERK: Mr. President, the next bill up is LB 441. There is a request to lay it over. Signed Senator Fowler.

SPEAKER: Unanimous consent. Is there any objection? So ordered. LB 503.

CLERK: LB 503 introduced by Senator Fowler of the 27th District. Read title. There are extensive amendments by Senator Frank Lewis' Education Committee.

SPEAKER: Read the amendments. Senator Fowler.

SENATOR FOWLER: If Senator Lewis doesn't want to take the Committee amendments, I would be glad to. The Committee amendments become the bill and they were worked out with the Education Committee and the Omaha School District and those people who brought the bill to me and I would suggest that we adopt the Committee amendments and then we can discuss from them because it is a better draft than the original bill. So I would move their adoption.

SPEAKER: Those in favor indicate by saying aye. Opposed. I am sorry. We have to have a record vote. Will you please vote. Will you please vote. Savage voting aye. Record.

CLERK: 26 ayes, 0 nays, Mr. President.

SPEAKER: The Committee amendments are adopted. What do you want to do with the bill, Senator Fowler?

SENATOR FOWLER: I would move that it be advanced to Select File.

SPEAKER: Motion is to advance LB 441. Please indicate your vote. I am sorry. Senator Maresh.

SENATOR MARESH: Mr. Chairman, I think this bill is a major bill and I think it should be discussed thoroughly. I had some input from some local people and I think Senator Fowler should explain the bill.

SPEAKER: Senator Barnett is next.
